Safe, Comfortable, Convenient – Home

A Community Within Our Community

"There's wonderful staff here, each one makes you feel at home. They go out of their way to make you feel at home and happy."

Kalkaska Memorial Assisted Living, a licensed home for the aged, offers the privacy of apartment living, with the companionship of peers and the assistance of professionals to meet individual needs. Residents can enjoy worry free living in a safe and secure environment.

Expert Care to Meet Individual Needs

Kalkaska Memorial Assisted Living is located on the Kalkaska Memorial Health Center campus. A registered nurse is on staff, and residents will have convenient next-door access to local family practice physicians, Munson Healthcare specialists, the Dialysis Center, cardiac rehabilitation, and other health care services.

Independence and Security

The new community promotes independence and a high quality of life with fresh, comfortable apartment housing and an assortment of personal care services:

- Housekeeping and laundry service
- Personal care and assistance
- Medication management
- Transportation coordination
- Scheduling and reminders for appointments
- 24-hour staffing
- Individualized service plans for each resident

What's for Dinner?

Restaurant-style dining awaits. Breakfast, lunch, and dinner are prepared on site and served in our spacious dining room. Room service and snacks are also available.

Apartment Amenities

Residents have the choice of studio or one-bedroom apartments. Each apartment has its own kitchenette and a safe, barrier-free bathroom. Cable TV and local phone service are provided, as well as an emergency wireless call system.

Other Features

Beyond the individual apartments, gracious community spaces include two fireplaces, a great room for meals and entertaining, large enclosed porches, a library, and a café for socializing, movies, and more. Other services include:

- Full service beauty salon
- Spa room
- Wireless internet and community computers
- Active social calendar and scheduled outings
- Outdoor spaces for resident gardening
- Adult day services
- Short-term or seasonal stays
